#### Customer Comments:

*Our office has purchased from Eakes Office Solutions for many years and will continue to do so. This locally owned business has excellent sales representatives that truly care about their customer and service after the sale. There is no one comparable to our supplies specialist's sincerity she has for her clients. She is extremely dedicated to ensure we get the best product for the best price while meeting the needs of our office. ~ Hall County Attorney*

*Eakes has consistently maintained a very high level of service, product knowledge and professional sales people. Our supply representative is instrumental in helping us make the right decisions for our situation. Eakes understands our needs and our budget control and has helped us modify our procurement process for office supplies. I would definitely recommend Eakes Office Solutions to other offices and businesses. ~ Buffalo County Court*
