Blue Cross and Blue Shield of Nebraska is There for You

Much has changed in our state over the years, but Blue Cross and Blue Shield of Nebraska's (BCBSNE) commitment to providing affordable health care coverage - and being there when Nebraskans need it most -- hasn't.

BCBSNE is proud to have served NACO members since 1980. With a statewide provider network that includes 99% of Nebraska's non-governmental acute care hospitals and 96% of the state's doctors, as well as over 1.7 million providers nationwide, BCBSNE works hard to provide members with access to quality care, when and where they need it.

Plus, by partnering with health care providers who focus on improved outcomes and preventive care, BCBSNE can maintain competitive premiums.

Additional services, such as a cost estimator tool, round out the benefits - giving members access to resources that help them take charge of their health and health care expenses.

BCBSNE offers:

- Eight medical plan options, including traditional preferred provider organization (PPO) and high-deductible health plans
- Two competitive dental plan options

To learn more about your coverage options, call BCBSNE's Member Services department at 844-201-0763 or visit nacone.org/webpages/services/health_insurance.html
